Full Stack Web Development 6 months Training & Internship

Dec 2024 - Current

Sure Trust (NGO)

Remote Internship

- Getting trained in front- end and back-end web development using HTML, CSS, JavaScript, React Js, Express Js, Vue Js and Django.

Machine - Learning Intern

June 2023 - July 2023

UniConverge Technology Pvt. Ltd.

Remote Internship

- Developed a machine learning model to predict the no. of remaining operational cycles using random forest algorithm.

Android Development Intern

April 2023 - June 2023

Acmegrade Pvt Ltd

Remote Internship

- Learn the basic and intermediate android app development. Designed and developed an quiz application and an online mobile shopping app.

Apprenticeship at Code Unnati Program

July 2022 - April 2023

SAP, Edunet Foundation and AICTE

Parul University

- Got trained with employability skills and Industry 4.0 skills such as Machine Learning, Artificial Intelligence, Deep Learning, SAP ABAP, IOT, Cloud Computing, Computer Vision and SAP BTP.

PROJECT EXPERIENCE

Gesture Controlled Virtual Mouse

June 2023- Oct 2023

- Developed an intelligent automation task system capable of recognizing the hand gestures and voice commands. The system has developed using computer vision, machine learning and natural language processing

Predict the Number of RUL before Failure of Turbofan Engine

June 2023 - July 2023

- Developed a machine learning model to predict the no. of Remaining Operational Cycles (RUL) using random forest algorithm.

Object Motion Detection Model

Jan 2023 - April 2023

- Python-based object motion detection model is developed using opecv and numpy libraries.

CERTIFICATIONS

- Introduction to Internet of Things, NPTEL Online Certification

Oct 2023

- Google Data Analytics Certificate, Coursera

June 2023

- Maharashtra State Certificate in Information Technology (MSCIT), MSBTE

Nov 2019

- Java Programming Certificate, Udemy

SKILLS

- Microsoft Word
- Microsoft Excel
- Microsoft Powerpoint

- Python
- Core Java
- HTML/CSS
- JavaScript

- Time Management
- Teamwork
- Problem Solving
- Communication Skills
