

WINDLAS BIOTECH LIMITED

RAW MATERIAL SPECIFICATION

Material Name	NOVOMIX YELLOW COLOUR (SP-118512)	Specification No.	RS/RMEXI000DIH0465 - 02
Item Code	RMEXI000DIH0465	Effective Date	11/04/2025
Reference	IH	Review Date	As and when Required
Superseded	01	Page No.	1 of 2

	Name	Designation	Department	Date
Prepared by	Vanshita Singh	Computer Operator	Quality Control	11/04/2025
Checked by	Deepu	Assistant Manager	Quality Control	11/04/2025
Reviewed by	Deepak Kumar	Manager	Quality Control	11/04/2025
Approved by	Nidhi Rani	Sr. Officer	Quality Assurance	11/04/2025

GENERAL INFORMATION

Category	Excipient(Pharmaceutical Aid)
Reference STP No.	RM/STP/IH/EXI/139
Sampling Procedure	As per SOP/QC/007
Sampling Quantity	Analysis - 5g, PSD - 10g, BD - 20g,Control - 10g, Total - 45 g. [Identi. each container - 100 mg]
Retest Period	24 Months
Control Sample	As per SOP/QA/030
Storage Conditions	Preserve in tight container, store at controlled room temperature. Keep away from sunlight, heat and moisture.
Precautions	1. Sample container shall be visually clean and dry. 2. Collect sample in different container for chemical analysis and control sample. 3. All sample containers shall be labeled properly with details of material name, sampling date, sample quantity and sampled by. 4. Take appropriate personal safety measures during sampling, wear personal protective Equipments. 5. All samples shall be sampled as per standard approved procedure.

Sr.No.	Test	Specification
1*	Description	Yellow powder.
2	Particle Size (100 #)	Not less than 99 % w/w passes through 100# ASTM sieve.
3	Bulk Density (Tapped)	Not more than 1.2g/ml
4*	Ash	Not more than 25.0%
5	Additional Test	
5a.	General Requirement	Material should be free from Foreign particles that can be observed on visual inspection by unaided eye.
5b	Identification	Positive for Yellow powder.

Note : *Test to be carried out at the time of retesting.
